

## PDO Health Guidelines

Parents' Day Out takes the health and safety of our children very seriously. With this in mind, we wanted to remind our customers of our sick child policies so that we can make sure and keep the spread of germs and disease to a minimum.

Listed below are the guidelines that we ask parents to follow:

- Children need to be free of fever for TWENTY-FOUR HOURS in order to attend PDO.
- Children need to be free of vomiting for TWENTY-FOUR HOURS in order to attend PDO.
- Children need to be free of diarrhea for TWENTY-FOUR HOURS in order to attend PDO.

Parents will be called to pick up their child from PDO in the following situations (if parents cannot be reached, emergency contacts will be called):

- If child vomits while at PDO
- If child has a fever over 99.9 while at PDO
- If child has two bouts of diarrhea while at PDO
- If child has an unexplained rash while at PDO

Please know that we sanitize our classrooms and our toys nightly to help prevent the spread of germs. We greatly appreciate your cooperation in helping us keep our children healthy and safe.
