

ChurchLink New User Login Instructions

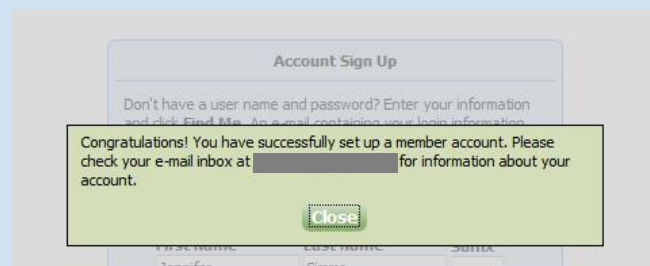

The following instructions will guide you in registering for ChurchLink, the online platform used by PWUMC. With ChurchLink, you can register for events, see the church calendar, view your giving statements and access the online PWUMC member directory and much more.

1. Click [HERE](#) to go to the ChurchLink login screen.
2. Below the blue login box it says, "Need a login, click here." Click on the link that says "click here."

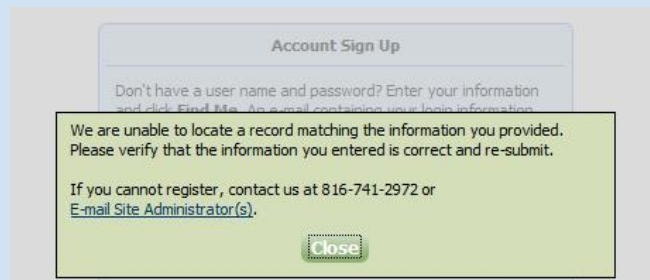

3. Enter your email address, first name and last name in the appropriate boxes.
4. Click "Find Me."

If you receive this message, you have successfully set up your account. Please check your email for further instructions.

If you receive this error message, it means PWUMC either does not have an email address for you or has a different email address on file. It does not necessarily mean you are not in our database. Click on the email link or call and a church staff member will assist you.
