---

## Why Participate?

**Tournament Benefits**

All hole sponsorships and direct donations of money go 100 percent to the Endowment Fund. All gains from players' fees, minus expenses, go to the fund as well.

**What Is the Endowment Fund?**

The Endowment Fund is a repository for plans and projects that are unexpected or unusual or have a special purpose. However, the Endowment Fund is focused primarily on the long-term financial future of the congregation of Platte Woods United Methodist Church.

The Legacy Society is dedicated to supporting the charitable, religious and educational purposes of Platte Woods United Methodist Church congregations, institutions and communities, and benefiting society in general. Through the Legacy Society the Endowment Fund is invested for long-term appreciation. Only a part of the income from the fund is available to be spent each year; the remaining income stays in the fund to build a buffer against inflation and future market fluctuations. Contributions through the Legacy Society to the Endowment Fund support PWUMC ministries such as Children's Ministries, Missions Ministries, Hillcrest Ministries and Student Ministries. Your contribution left to the Endowment Fund through the Legacy Society will ensure that these and many other ministries will continue into the future.
