

PWUMC COVID-19 GUIDELINES

revised 7-30-21

Mask Policy

Masks are required for everyone age 5 and up at all times while in the church building. This follows the current CDC guidance for public spaces and the Kansas City mask mandate that will be implemented August 2. Our policy goes into effect immediately. The church will provide you with a disposable face mask if needed.

Expanded Capacity

Seating capacity at our 9 and 11 am worship services is 300 per service. Due to this increased capacity, we are no longer requiring preregistration for worship services.

Physical Distancing/Entry and Exit

The front doors to the church will be open from 8:30 am to noon each Sunday. Upon entry into the Worship Center, please find an open seat of your choosing, being mindful of maintaining the recommended 6 feet of distance between you and others outside of your immediate household.

Cleaning Protocols

All spaces used will be cleaned and disinfected following each service. Areas of high touch points, including restrooms, will be cleaned frequently.

No Coffee/Donuts

There will be no coffee service or donuts available at this time.

Contactless Service

We ask that there be no hand shaking or other forms of physical contact, and no handouts or bulletins will be distributed. PWUMC offers online giving, and in addition, if you bring your offering to worship, physical offering boxes are located at the entry/exit doors of the Worship Center.
