Pastor Yvi led us in a time of reflection over the past year

Meeting called to order at 6:34pm

### **Business**

- **Church Shuttle**

Ownership of the church shuttle has become increasingly burdensome. Repeated vandalism (catalytic converter theft) and mechanical issues due to rodents and sporadic/minimal use require costly upkeep and maintenance beyond normal wear and tear. It has become standard practice for ministry area's requiring transportation to rent an appropriately sized vehicle for the sake of safety and reliability. Church staff recommends that we relinquish the shuttle from church property by the end of the year.
